ABOUT ME

Grade 12 student at Kharisma Bangsa School, expected to graduate in 2027. I have earned international recognition in science, technology and research, built a portfolio of software projects, and competed in badminton. My interests include exploring technology and scientific ideas through competitions and independent projects.

SKILLS & INTERESTS

PYTHON
Perfect scores in Grok Academy Australia Python Beginners and Intermediate.

STEM & RESEARCH
Awarded in Natural Science, Technology & Engineering, and research competitions.

INTERESTS
Technology, research, aviation, automotive, travel, and badminton.
